

When solving the old exams: few important remarks

Hi everybody,

The course 01018 has changed a bit over time (as it normally happens). This means that there is some exercises from old exams that cover material that is not part of the course anymore, and hence, that does not make sense for you to try to solve. I attach here a list of such cases (so you will not waste your time with those 😊):

- Exam E19: Question 1d) and Question 5c)
- Exam F20: Question 1a)
